ALCOHOLICS ANONYMOUS**

Periodical Literature and Alcoholics Anonymous

This volume is a collection of articles on Alcoholics Anonymous which were published in periodical literature. The contents was sourced from The Reader's Guide to Periodical Literature and The Canadian Guide to Periodical Literature.

The sole purpose of this effort is to make available to students and researchers of Alcoholics Anonymous this glimpse through the written word of how Alcoholics Anonymous had been presented to the readers of periodical throughout it's history.

My hope is that the reader will enjoy this volume as much as I enjoyed putting it together.
